

# ***Kettle Moraine Youth Aviation Safe Participation Contract***

\_\_\_\_\_ (student) is enrolled in the Aviation Club and will, as part of his/her experience, use hand tools and operate power equipment, providing that his/her parent or guardian gives written permission.

Each student will be given proper instruction and testing, both in the use of the equipment and in correct safety procedures concerning it, before being allowed to operate it themselves.

The student must assume responsibility for the following safety practices and we therefore ask that he/she adhere to the following safety contract:

## **Student's Safety Contract**

1. I will follow all the rules and regulations of Kettle Moraine Youth Aviation.
2. I will not use tools, chemicals, or equipment without first obtaining permission from a mentor/leader.
3. I will not ask to use, or attempt to use, any machine or equipment unless I have been checked out by a mentor and demonstrated its safe operation
4. I will use all tools and equipment for the intended use only.
5. I will report any accident, injury, or hazardous situations to the instructor immediately.
6. I will wear my safety glasses when I or others are working with tools in the hanger.
7. I will not operate any equipment while under the influence of any drug, alcohol, or medication that may impair my ability to work safely.
8. Violations of any of these safety practices will result in disciplinary action and/or expulsion from the program.
